* Description	*Comprehensive English (2)* is a mandatory course for all undergraduates of English majors during the 2nd semester. It uses China's top-rate intensive English reading textbooks, textbooks compiled by teaching staff of the Department of English, and other reading materials the teacher deems beneficial to English learning. The course is taught in English. The teaching is generally comprised of two parts: Reading and Writing. The reading part focuses on advancement of students' basic English abilities and their creative thinking, covering a wide range of aspects including English phonology, vocabulary, syntax, texture, rhetoric, culture, etc. It also strives for the expansion of students' reading scope, so as to help students efficiently acquire information, knowledge, vocabulary and understand stylistic features from reading. The writing part conducts writing exercises based on the reading, including summary, imitation, and extension of the reading material, and free writing, so as to help the students acquire related writing skills. This course will be facilitated by

multimedia and Internet technologies, and adopt various helpful teaching methods such as lecturing, presentations, tests, extensive reading, writing and editing, discussions, etc., so as to lay a solid foundation for the students' overall mastery of the English language.
