

Course Information					
Course Code	GE307	* Credit Hours	36	* Credits	2
* Course Name	National Condition of German speaking Lands				
(Course Type)					
Audience					
(Language of Instruction)					
* School					
Prerequisite	4				
Instructor			(Course Webpage)		
* Description					
* Description	<p>As a course offered to German majors in the junior/senior year, it introduces geography, government mechanism, culture and education in Germany, Austria and Switzerland. A brief picture of these countries will serve to enlarge students' vocabulary and enrich their perspectives, so that they are better prepared for communication with people from those countries, taking part in exchange programs, overseas study, and engagement in translation work and foreign services.</p>
