

Course Information					
Course Code	GE308	* Credit Hours	32	* Credits	2
* Course Name	Techni cal German				
(Course Type)					
Audience					
(Language of Instruction)					
* School					
Prerequisite	4				
Instructor			(Course Webpage)		
* Description					
* Description	<p>Technical German refers to the German used in natural sciences and engineering technologies. By reading articles of this nature, students will learn passage structure, grammar and morphological features particular to technical German articles and acquire basic science-technology information and vocabulary, so as to get prepared for future translation work in this field.</p>
